Statement of Fact

Pursuant to 4 MRS §18-B, the CADRES program was established to provide alternative dispute resolution services in the courts throughout the State of Maine. The CADRES program assesses, collects and deposits service fees into a non-lapsing dedicated fund to pay for program operational expenses. This Financial Order increases the allotment for the purpose of implementing salary and attrition adjustments and paying operational expenses from unencumbered balances. Failure to approve this order will result in an inability to pay for the services for which these fees were collected.
