Notes:

¹ Bond Funds consist of taxable and non-taxable General Obligation bonds and Self-liquidating bonds. Expenditures are not separately identified in Total State Expenditures because the expense is identified in Operating Funds (i.e., General Fund and Highway Fund) as Debt Service.

² Internal Services Funds account for the provision of goods and services by one department or agency to other departments or agencies of the State, or to other governmental units, on a cost-reimbursement basis. The assessments of the Internal Services Funds are recorded as expenditures by the state agencies that are assessed the fee for the service.
