¹ The Department of Mental Health, Mental Retardation and Substance Abuse Services was renamed to the Department of Behavioral and Developmental Services (PL 2001, c. 354) and was then merged with the Department of Human Services (PL 2003, c. 689). Programs and accounts of these departments have yet to be merged into new programs and accounts of the Department of Health and Human Services. During the continued transition, the departments' budgets will be designated with parenthical designation of (formerly BDS) and (formerly DHS) to provide a distinction until the new program structure for the merged department is created.
