(adopted 2-22-13)

The mission of the Joint Legislative Government Oversight Committee, hereafter called the "Committee", is to oversee program evaluation and government accountability matters in State government. The Committee seeks to ensure that public funds are expended for intended purposes, and that programs and activities are effectively, efficiently and economically managed. The Committee accomplishes this mission by conducting public inquiries and directing the Office of Program Evaluation and Government Accountability to conduct independent, objective reviews of State agencies and programs and other entities receiving public funds or expending private monies for public purposes.
