February 27th, 2008

To: Members, Legislative Youth Advisory Council

From: Brenna Byrne, Legislative Researcher [Brenna.Byrne@legislature.maine.gov]

Re: February 11th LYAC Meeting Re-scheduled

The LYAC meeting originally scheduled on February 11th has been re-scheduled for:

Wednesday February 27th, 2008 at 10:00 a.m.
Room 437 of the State House in Augusta

Please note the location for this meeting is different than past meetings due to the limited availability of Committee rooms this time of year.

Please find the enclosed agenda. The morning session will focus on the status of the Council's proposed legislation (LD 2130 and LD 2131). The chairs would like to address key issues that arose from public hearings on each bill and discuss potential amendments for the Council's consideration. For the purpose of this discussion, you will be provided with summaries of the public hearings.

In the afternoon, the Education and Cultural Affairs Committee will hold a work session on LD 2131 at 1:00 p.m. and at 2:00 p.m. the Health and Human Services Committee will be holding a public hearing for LD 2034, *An Act to Prohibit the Sale of Energy Drinks to Minors*, a bill which several members expressed interest in following. These Committee meetings are subject to change, however they will tentatively make up the afternoon session of this LYAC meeting.

Please feel free to contact me with any questions you may have about the meeting agenda and/or the aforementioned legislation.

Thank you,
