INSTRUCTIONS FOR PERMANENT LICENSE APPLICATION

HOW TO APPLY

Before you complete this application, please review the Requirements for Medical Licensure. APPLICATION FEES ARE NOT REFUNDABLE. Incomplete applications or those received without the required fee or documents will not be processed. Applications will not be reviewed by the Secretary of the Board until all appropriate materials are received. Please type or print clearly in ink.

The following statement is made pursuant to the Privacy Act of 1974, Section 7(b):

Disclosure of your social security number is mandatory. Solicitation of your social security number is solely for tax administration purposes pursuant to 36 M.R.S. § 175 as authorized by the Tax Reform Act of 1976 (42 U.S.C. § 405 (c)(2)(c)(I)). Your social security number will be disclosed to the State Tax Assessor or an authorized agent for determining filing obligations and tax liability pursuant to Title 36 of the Maine Revised Statutes. No further use will be made of your social security number, and it shall be treated as confidential tax information pursuant to 36 M.R.S. § 191.

Procedures:

1. Board Application:

   (a) Complete all sections in the Application for License to Practice Medicine. You must respond to all components of the application as instructed.

   (b) The Board requires BOTH your HOME mailing address and phone number, and the address and phone number of your PRINCIPAL PLACE OF MEDICAL PRACTICE. You may designate which of the two you wish to be used for mailings from the Board, but that default address is the home address, unless you specify otherwise (by checking the ‘contact at’ box under ‘business address’). Unless you specify otherwise, your business address will be the address circulated by the Board in listings and publications available to the general public, including the Internet. If you currently have no business address and you do not wish for your home address to be on the Internet, you must provide an alternate address, such as a Post Office box, or a mail drop. If, subsequent to this application, your home or business contact information changes, you must immediately notify the Board. **Immediately upon beginning your practice of medicine in Maine, you must provide the Board with your Maine business address and phone number.**

   (c) Complete Section 7, Affidavit of Applicant, in the presence of a Notary Public. The Notarial seal must cover a portion of the photograph, and the photo must fit within the box. [TIP: The Federation Credentialing Verification Services (FCVS) application also requires a separate Affidavit that must be notarized. You may wish to have both forms notarized at the same time.]

   (d) Provide complete addresses in Section 8. Failure to do so will delay licensure.

2. Malpractice Claims:

   Your insurance carrier or attorney must provide an independent detailed explanation of all malpractice claims. This information must be received directly from the insurance company or attorney. This information is in addition to your personal explanation.

   Application form items Section 6 questions 19 and 20, regarding professional (malpractice) liability claims experience, are the questions most likely to generate follow-up letters from the Board staff and delay your licensure if not answered completely. Report all claims of which you have been noticed, as well as all claims from which you were dismissed as a defendant or for which your insurance company made a settlement of any kind with the plaintiff, or any claim for which a court found you liable in any degree. A reporting form is provided at page 20. Claims against a professional
corporation are considered a claim against the individual licensee who provided the professional services in dispute. To be complete, your supplemental explanation must include, for each such claim reported, a full description using the Professional (Malpractice) Liability Claims Experience Form (Page 20). See the following fictitious example:

Identity of Case: Burns v. John B. Doe, MD, Samuel E. Smith, MD, Topeka Woman’s Hospital, Inc. et al.; Kansas Third Circuit Court, Topeka, Case #89-10203

Date/Place of Original Occurrence: June 4, 1990, Topeka Woman’s Hospital

Malpractice Alleged by Claimant: Delayed diagnosis of ectopic pregnancy.

Summary of my Defense: I was a PGY II resident at the time. Dr. Samuel E. Smith, Chief of Obstetrics, Topeka Woman’s Hospital was attending physician in this case. I was named in the claim because my name appears in the chart as the physician ordering ultrasonography on first hospital day.

Current Status of Case: Although a motion to dismiss me as a defendant is pending, my insurance company has offered a settlement on my behalf of $15,000.00 on February 14, 1992. I have been told the plaintiff rejected this and the claim is still pending.

Name and Address of Insurance Company/Attorney Defending Case: Great Plains Physicians’ Mutual Indemnity, Attn: Jim Brown, Claims Manager, 4321 Ketcham Blvd., Rock Springs, SD 79104. I am also represented by William B. Eagle, Eagle, Hare, P.A., 44 West River Drive, Suite 200, Topeka, KS 60301.

Information you supply here is required for the Maine Rural Health Access Program [24-A MRSA, Ch. 75, §6304, (3)]. The information will be reported to the Maine Superintendent of Insurance for administration of this program as provided in that law. Please select ‘Self Insured’ if you have no professional liability insurance, or if you only pay a portion of the premium.

Please check the appropriate box to indicate the method you employ to secure professional medical malpractice liability insurance.

☐ Self Insured  ☐ Physician Paid  ☐ Employer Paid

If you checked off “Employer Paid”, please enter the name of the employer who or which paid your premiums here: ____________________________________________________________

6. PERSONAL DATA

Check off (X) each appropriate response. Every ‘YES’ response must be fully explained by written statement on a separate 8.5” x 11” sheet of white paper. Each such explanation must be cross-referenced with the question number, and must be signed, dated, and enclosed with your application.

YES NO

☐ ☐ 1. Have you EVER had ANY licensing authority (INCLUDING MAINE) deny your application for any type of license, or take any disciplinary action against the license issued to you in that jurisdiction, including but not limited to warning, reprimand, fine, suspension, revocation, restrictions in permitted practice, probation with or without monitoring?

☐ ☐ 2. Have you EVER agreed with any licensing authority to voluntarily follow practice limitations, restrictions, guidelines, to make reports or to complete specific continuing education or course work?

☐ ☐ 3. Have you EVER been notified of the existence of allegations, investigations and/or complaints involving you, filed with or by ANY licensing authority (INCLUDING MAINE), which allegations, investigations and/or complaints remain open as of the date of this application?

☐ ☐ 4. Have you EVER left a medical licensing jurisdiction (INCLUDING MAINE) while a complaint, investigation or allegation was pending?

☐ ☐ 5. Have you EVER been denied registration, or had your ability to prescribe or dispense controlled substances modified, restricted, suspended, revoked, or voluntarily suspended by, or surrendered to:

☐ ☐ a) The U. S. Drug Enforcement Administration (US DEA)?

☐ ☐ b) Any state/territory of the U. S., INCLUDING MAINE?

☐ ☐ 6. Has there EVER been a finding by any state or federal court or governmental agency that you violated any rule or law regulating the practice of health care?

☐ ☐ 7. Has there EVER been a finding against you in any inquiry, investigation, or administrative or judicial proceeding by an employer, educational institution, professional organization, or licensing authority, or in connection with an employment disciplinary or termination procedure?

☐ ☐ 8. Have you EVER received a sanction or entered into any settlement agreement or integrity agreement related to Medicare, TRICARE or any state Medicaid program?

☐ ☐ 9. The purpose of the following questions is to determine the current fitness of the applicant to practice medicine. The following inquiries concern medical, mental health, and substance misuse issues. This information is treated confidentially by the Board. The mere fact of treatment for medical, mental health or substance misuse is not, in itself, a basis on which an applicant is ordinarily denied licensure when he/she has demonstrated personal responsibility and maturity in dealing with these issues. The Board encourages applicants who may benefit from such treatment to seek it. The Board may deny a license to applicants whose ability to function in the practice of medicine or whose behavior, judgment, and understanding is impaired by substance misuse or a medical or mental health condition.

☐ ☐ a. Do you have a mental or physical condition that currently impairs your ability to safely and competently practice medicine?

☐ ☐ b. Within the last five (5) years have you been diagnosed with or treated for any medical or mental health disorder that impaired your behavior, judgment, understanding, or ability to function in school, work or other important life activities?
c. Do you currently use any chemical substance(s), including alcohol, which in any way impairs or limits your ability to practice your profession with reasonable skill and safety?

If any of your answers to questions 9(a-c) is “Yes,” are the limitations or impairments caused by your medical, mental health, or substance misuse condition reduced or improved because you receive ongoing professional treatment (with or without medication) or because you participate in a professional monitoring program? Current voluntary participation in the Medical Professionals Health Program or similar program will be kept confidential.

d. Are you currently engaged in the illegal use of illicit drugs or prescription drugs that have not been prescribed to you pursuant to a legitimate physician-patient relationship? “Legitimate” means “Being in compliance with the law or in accordance with established and accepted standards.”

e. Have you EVER used illegal drugs or prescription drugs that have not been prescribed to you pursuant to a legitimate physician-patient relationship?

f. Have you ever obtained illegal drugs or prescription drugs that were not prescribed to you pursuant to a legitimate physician-patient relationship?

g. Have you EVER furnished or provided illegal drugs to anyone other than medical marijuana per applicable state law?

h. Have you EVER furnished prescription drugs to or written a prescription for anyone without having a legitimate physician-patient relationship (This includes conduct for which you may NOT have been adjudicated in any civil, administrative or criminal proceeding)?

i. Have you EVER been found in any civil, administrative or criminal proceeding to have:

   Possessed, used, prescribed for use, or distributed any drugs in any way other than for legitimate or therapeutic purposes?

   Diverted any drugs?

   Violated any drug law?

   Prescribed any controlled substances for yourself or family/household members?

j. Within the last five (5) years have you EVER raised the issue of consumption of drugs or alcohol or the issue of a medical, mental health or substance misuse disorder as a defense or in mitigation of, or as an explanation for your actions in the course of any administrative or judicial proceeding or investigation; any inquiry or other proceeding; or any proposed termination action (educational, employer, government agency, professional organization, or licensing authority)?

10. Have you EVER been charged, summonsed, indicted, arrested, or convicted of any criminal offense, including when those events have been deferred, set aside, dismissed, expunged or issued a stay of execution? Please include motor vehicle offenses such as Operating Under the Influence, but not minor traffic or parking violations.

11. Have you EVER applied for hospital, HMO or other health care entity privileges which were denied?

12. Have you EVER had your staff privileges or employment at any hospital, long term care facility, HMO, or other health care entity terminated, revoked, reduced, restricted in any way, suspended, made subject to probation, limited in any way, or withdrawn involuntarily?
13. Have you EVER voluntarily surrendered privileges or resigned from staff membership during peer review or investigation or to avoid peer review or investigation?

14. Have you EVER resigned from employment in lieu of termination or while under investigation?

15. Have you EVER been terminated or suspended from any employment?

16. Have you EVER been deselected from a managed care organization physician panel?

17. Have you EVER been disciplined by a professional society or resigned while an accusation was pending?

18. Have you EVER endangered the safety of others, breached fiduciary obligations, or violated workplace conduct rules?

19. Have you EVER been named in any medical malpractice liability claim or lawsuit adjudicated by a court in favor of the other party, or settled by you or your insurance company/representatives with or without your express consent?

20. Do you have any open/pending malpractice claims?

21. Do you intend to practice medicine within the State of Maine without active medical staff privileges at a Maine hospital?

I hereby authorize the Board of Licensure in Medicine to transmit any information contained in the application, or information that may otherwise become available to them, to any agency, organization, hospital, or individual, who, in the judgement of the Board, has a legitimate interest in such information.
