Instructions for completing “The Application for Maine Medical License Renewal” form:

The following definitions are intended to help you complete the Maine Board of Licensure in Medicine Renewal Application form.

Type of Licensure Status for Which You are Applying (select only one):

1. Renewal of status as ACTIVE:

   A. **If you currently hold an active license:** If you intend to provide professional medical services to patients within Maine’s borders, on either a full or part time basis, you need an active license. To qualify for ACTIVE status, you must report CME activities satisfactory to the Board showing a minimum of 40 Category I and 60 Category II CME credits earned during the previous licensing period.

   B. **If you currently hold an inactive license:** To apply to change license status from INACTIVE to ACTIVE complete a new renewal application requesting ACTIVE status, provide CME evidence, and provide verification of practice in another state for at least 3 months of the year preceding the request for conversion. If the applicant has not been in active practice, the Board will require a competency update, which could include successfully passing the Special Purpose Examination (SPEX) or other programs, fellowships or mini-residencies as approved by the Board.

2. Renewal of status as INACTIVE: If you wish to keep your Maine license but do not intend to provide professional services to patients within Maine’s borders, you may apply for inactive status. A renewal application processing fee is required. Note that registration in INACTIVE status precludes you from any medical practice within Maine, including writing prescriptions for friends, family, self, or anyone. If you check box 2 and sign the application affidavit, you have affirmed to the Board that you will refrain from medical practice within the state unless and until you have first converted your license from inactive to active status in accordance with paragraph 1B above.

3. Request to Withdraw: If you wish to discontinue Maine licensure, you may use this License Renewal Application to request approval from the Board to withdraw from licensure. Payment of an application fee is not required with an application to withdraw from licensure. However, the application form must be completed and accepted by the Board before withdrawal is effected. Note that once withdrawn a Maine license may be reinstated for only up to five (5) years following withdrawal. After five (5) years, applicants for reinstatement will be treated like new applicants. In addition, if you obtained a license in another jurisdiction through reciprocity based upon your Maine license, and you withdraw your Maine license, it may result in the voiding of any license that was obtained by reciprocity.

Liability Insurance data:

This section must be completed if you are applying for an ACTIVE license. Information you supply here is required for the Maine Rural Health Access Program (24-A MRSA, Ch. 75, §6304, (3)). The information will be reported to the Maine Superintendent of Insurance for administration of this program as provided in that law. Maintenance of professional liability insurance is not a requirement to maintain a Maine medical license in force. Please select ‘Self Insurance’ if you have no professional liability insurance, or if you only pay a portion of the premium.

Background Data:

**Item 13** asks you to list any permanent medical practice license granted you by any state or Canadian province, whether or not it is still in force. Please do not list training permits or temporary or locum tenens licenses which you have been issued. If you were ever denied a license, see Item 14 question 1.

**Item 14 questions 1-3** refer to events which may have occurred at any time since you completed your medical education and commenced your medical career.

**Item 14 questions 4-22** ask you to disclose events which have occurred since your last renewal. You need not report again matters which were disclosed on previous applications unless you feel it would be helpful to our understanding of your current qualifications for medical practice. For example, you need not report a malpractice claim which arose and was settled prior to your last renewal. On the other hand, a claim filed in previous renewal periods which was closed by a settlement during your last renewal should be disclosed. If this is your first renewal, please disclose all data.

For any “YES” response, please provide a supplemental explanation in sufficient detail for the Board to understand the nature and seriousness of the problem and how it had been or is being resolved. For example: **Item 14 question 9b** asks for disclosure with explanation of physical, psychiatric or addictive disorder which might reasonably be considered impairing for safe and unlimited medical practice unless the Board can confirm that you are either fully recovered or have taken adequate measures to compensate for any residual limitations. For physical or psychiatric problems, please give diagnosis, prognosis and residuals, any current limitations on scope of practice, and name and address of your treating physician who can confirm current fitness to continue practice. The Board will inform you if clinical records or reports are required. If you reported an impairing addictive disease on your registration application for a prior registration period, please so indicate and limit your response to methods and progress in
recovery since your last renewal. If you reside in Maine, regardless of whether or you are a current member of the Maine Medical Association, you may obtain a confidential consultation with the Maine Medical Association’s Medical Professionals Health Program (“MPHP”) by calling (207) 623-9266. You can find more information about the MPHP at: https://www.mainemed.com/member-services/medical-professionals-health-program.

**Item 14 questions 19 and 20,** regarding professional liability claims experience, are the questions most likely to generate follow-up letters from the Board staff and delay in your license renewal if not answered completely. Please report all claims of which you have been noticed since your last renewal. As well, report all claims since your last renewal from which you were dismissed as a defendant or for which your insurance company made a settlement of any kind with the plaintiff, or any claim for which a court found you liable in any degree. Claims against a professional corporation are considered a claim against the individual who provided the professional services in dispute.

To be complete, your supplemental explanation must include, for each such claim reported, a full description using the Professional (Malpractice) Liability Claim Experience Form attached. See the following fictitious example:

```

**Please Note:**

**Mandated Reporter Requirements for Suspected Child Abuse**

Maine law requires that physicians immediately report or cause a report to be made to the Maine Department of Health and Human Services (DHHS) when the physician knows or has reasonable cause to suspect that a child has been or is likely to be abused or neglected or that a suspicious child death has occurred. **In addition, if a child is under 6 months of age or otherwise non-ambulatory, Maine law requires physicians to immediately report to DHHS if that child exhibits evidence of the following:** fracture of a bone; substantial bruising or multiple bruises; subdural hematoma; burns; poisoning; or injury resulting in substantial bleeding, soft tissue swelling or impairment of an organ, except that the reporting of injuries occurring as a result of the delivery of a child attended by a licensed medical practitioner or the reporting of burns or other injuries occurring as a result of medical treatment following the delivery of the child when the child remains hospitalized following the delivery is not required. Please refer to 22 M.R.S. § 4011-A for all reporting requirements.

**Mandated Reporter Training** and additional information regarding mandated reporting can be found at: http://www.maine.gov/dhhs/ocfs/cps/

**Maine Prescription Monitoring Program**

As of August 1, 2014, Maine law requires all Allopathic Physicians, Osteopathic Physicians, Dentists, Physician Assistants, Podiatrists, and Advanced Practice Registered Nurses who are licensed to prescribe scheduled medications to register with the Prescription Monitoring Program (PMP). To register, please go to the Prescription Monitoring Program website: http://www.maine.gov/pmp. Download, complete and sign a registration form located within the yellow box. You may mail, scan...
and email or fax a signed form to the information located on the form. Please note there are two types of registration forms available, 1) Data Requester form for active prescribers with a DEA number and, 2) Sub-Account form for assistants/non-prescribing health professionals.

More PMP information is available at: http://www.maine.gov/dhhs/samhs/osa/data/pmp/prescriber.htm

The Board strongly recommends regular use of the PMP

The Board’s staff is available to assist you by phone at (207)287-3782, Monday through Friday, 8:00 am to 4:30 pm, Eastern Daylight time.
Application for Maine Medical License Renewal or Withdrawal

Fee: Please remit with application by check/money order payable to "Maine Board of Licensure in Medicine." A renewal fee is not required if you are age 70 or older or if you are withdrawing from license registration.

Note: Any missing entry will render this application incomplete and may subject you to a late application charge of $100. Also failure to enclose the appropriate renewal application fee, or report CME qualification if applying for ACTIVE status, will render your application incomplete.

Type of Licensure Status for Which You Are Applying:

☐ 1. I am applying for renewal of my license in ACTIVE status, based on evidence of CME qualification filed with this application.
☐ 2. I am applying for renewal of my license in INACTIVE status. I have therefore not submitted evidence of CME qualification. I must still pay the renewal fee. I understand the requirements for converting my license from inactive to active status.
☐ 3. I request to WITHDRAW my Maine license from registration. I acknowledge that reinstatement of this particular license is not possible after 5 years, and that I will have to apply as a new applicant after that time. (In order to apply for withdrawal you must complete the entire form, date, sign, and return it by the due date, omitting payment of the renewal application fee.)

If you currently have no business address and you do not wish for your home address to be on the Internet, you must provide an alternate address, such as a Post Office box, or a mail drop.

9. The purpose of the following questions is to determine the current fitness of the applicant to practice medicine. The following inquiries concern medical, mental health, and substance misuse issues. This information is treated confidentially by the Board. The mere fact of treatment for medical, mental health or substance misuse is not, in itself, a basis on which an applicant is ordinarily denied licensure when he/she has demonstrated personal responsibility and maturity in dealing with these issues. The Board encourages applicants who may benefit from such treatment to seek it. The Board may deny a license to applicants whose ability to function in the practice of medicine or whose behavior, judgment, and understanding is impaired by substance misuse or a medical or mental health condition.

   a. Do you have a mental or physical condition that currently impairs your ability to safely and competently practice medicine?

   If any of your answers to questions 9(a-c) is “Yes,” are the limitations or impairments caused by your medical, mental health, or substance misuse condition reduced or improved because you receive ongoing professional treatment (with or without medication) or because you participate in a professional monitoring program? Current voluntary participation in the Medical Professionals Health Program or similar program will be kept confidential.

   d. Are you currently engaged in the illegal use of illicit drugs or prescription drugs that have not been prescribed to you pursuant to a legitimate physician-patient relationship? “Legitimate” means “Being in compliance with the law or in accordance with established and accepted standards.”
   e. Have you used illegal drugs or prescription drugs that have not been prescribed to you pursuant to a legitimate physician-patient relationship?
   f. Have you obtained illegal drugs or prescription drugs that have not been prescribed to you pursuant to a legitimate physician-patient relationship?
   g. Have you furnished or provided illegal drugs to anyone other than medical marijuana per applicable state law?
   h. Have you furnished prescription drugs to or written a prescription for anyone without having a legitimate physician-patient relationship (This includes conduct for which you may NOT have been adjudicated in any civil, administrative or criminal proceeding)?

   i. Have you been found in any civil, administrative or criminal proceeding to have:
      a. Possessed, used, prescribed for use, or distributed any drugs in any way other than for legitimate or therapeutic purposes?

      d. Prescribed any controlled substances for yourself or family/household members?

   j. Have you raised the issue of consumption of drugs or alcohol or the issue of a medical, mental health or substance misuse disorder as a defense or in mitigation of, or as an explanation for your actions in the course of any administrative or judicial proceeding or investigation; any inquiry or other proceeding; or any proposed termination action (educational, employer, government agency, professional organization, or licensing authority)?

Have you been charged, summonsed, indicted, arrested, or convicted of any criminal offense, including when those events have been deferred, set aside, dismissed, expunged or issued a stay of execution? Please include motor vehicle offenses such as Operating Under the Influence, but not minor traffic or parking violations.

☐ ☐ 18. Have you endangered the safety of others, breached fiduciary obligations, or violated workplace conduct rules?

☐ ☐ 19. Have you been named in any medical malpractice liability claim or lawsuit adjudicated by a court in favor of the other party, or settled by you or your insurance company/representatives with or without your express consent?

I have carefully read the questions in this application and have answered them completely, without reservations of any kind, and declare under penalty of law that my answers and all statements made by me herein are true and correct. Should I furnish any false information in this application, I hereby agree that such act shall constitute cause for the denial, suspension or revocation of my license to practice medicine and surgery in the state of Maine, or other discipline as the Board may determine.
