# **MaineDOT ON - THE - JOB TRAINING**

**Join Our Team and  
Earn  
While You Learn**

## **MaineDOT offers on-the-job training. You can't lose!**

- *No experience necessary*
- *Competitive wages*
- *Flexible hours*
- *Opportunities across the state*
- *Opportunities for advancement*
- *Work outside*

On-the-Job Training (OJT) helps women, minorities and the disadvantaged gain experience on road and bridge construction jobs. You'll earn while you learn on a federally funded MaineDOT project.

You'll receive a certificate of completion (usually after 1000 hours). The trainee may decide to explore other trades or may have the opportunity to work for the contractor who provided the training.

MaineDOT offers a diversity of trade opportunities. Call us at (207) 624-3036 to find out more information about these trades:

- **Bridge Painter**
- **Carpenter**
- **Concrete Quality Control Technician**
- **Construction Equipment Mechanic**
- **Equipment Operator**
