Please send sealed proposal in an envelope plainly marked:

"Proposal For: Steel Pipe Piles, Machias, Maine"

To: Elizabeth Fitzgerald, Town Manager
Town Office
27 East Main Street, P.O. Box 418
Machias, Maine 04654-0418

Proposals will be received at the Town Office until **4:00 p.m. (EST), May 13, 2009**. The proposals will be opened publicly at 6:00 p.m at said office and read aloud.

The project includes removal and disposal of one existing concrete-filled steel pile. The new work will involve fabricating, painting, delivering, and installing four new 8" socketed steel piles measuring between 18 and 30 feet in length. A fifth and sixth pile may be included, pending availability of funds. Each pile will be inserted into a 10" diameter steel sleeve.

Award, if made, will be to the lowest responsive, responsible bidder. The Town reserves the right to reject any and all bids.

Plans and specification may be obtained from Pine Tree Engineering, Inc.

Questions concerning the work and materials may be directed to:

Pine Tree Engineering, Inc.
53 Front Street
Bath, Maine, 04530
Telephone: (207) 443-1508
Facsimile: (207) 442-7029
E-mail: pte@pte-maine.com

The Documents may be examined at the Machias Town Office and at the Pine Tree Engineering office:

The Town will have **thirty (30)** calendar days within which to accept or reject any bid. The project completion date will be **120 calendar days** from date of contract signing. Payment will be made within 45 days following delivery, installation, and acceptance of the piles.

The successful bidder **will not** be required to furnish a performance bond or a payment bond. Maine state wage rates and certified payrolls **will not** be required. Proof of insurance will be required.
