DAVID A. COLE  
COMMISSIONER

Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book, **DELETE** "SPECIAL PROVISIONS, SECTION 202, REMOVING STRUCTURES AND OBSTRUCTIONS" 1 page dated April 11, 2008.

The following question has been received:

**Question:** Bid Item 202.127, Special Section 202 seems to imply that you are expecting the pavement on the bridge decks to be removed by the use of a milling machine. This will leave some scarifying of the concrete deck. Will that be acceptable?

**Response:** See the above change and refer to SECTION 202.031 (Page 2-8) of the STANDARD SPECIFICATIONS, DATED December 2002.

Consider this change and information prior to submitting your bid on **May 7, 2008**.

Sincerely,

Scott Bickford  
Contracts & Specifications Engineer
