Dear Sir/Ms:

In the Bid Book, after page 25, **INSERT** the attached "SPECIAL PROVISION, SECTION 104, GENERAL RIGHTS AND RESPONSIBILITIES, (Electronic Payroll Submission)", 1 page dated January 21, 2009.

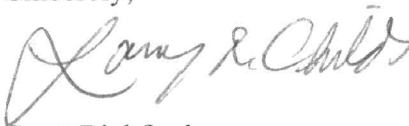

The following question has been received:

**Question:** Concerning the cofferdam requirements, is sheetpiling a requirement or are we able to fashion another way to redirect the water?

**Response:** Installation of sheetpiling is not a requirement for payment of a cofferdam. Other acceptable methods include a stream diversion or sand bags in appropriate situations. Cofferdam installation shall be in accordance with the contract specifications including Special Provision, Section 656, Temporary Soil Erosion and Water Pollution Control.

Consider this change and information prior to submitting your bid on March 25, 2009.

Sincerely,
