Subject: **Thomaston**
Federal Project No: STP-1297(300)X,
State Project No's: 012973.00,
Amendment No. 1

Dear Sir/Ms:

Make the following changes to the Bid Documents:

In the Bid Book (pages 7 thru 14), **REMOVE** the "CONTRACT AGREEMENT, OFFER & AWARD" 2 copies and **REPLACE** with the attached new "CONTRACT AGREEMENT, OFFER & AWARD" 2 copies.

In the Bid Book (page 49), "Special Provision, Section 107, Prosecution and Progress, (Contract Time), **CHANGE** line 2) to read as follows; "The completion date for this contract is **June 30, 2010.**" Make this change in pen and ink.

In the Plans, Sheet Numbers 2, 3 and 4, DELETE all references to "TYPE B AGGREGATE SUBBASE" or "TYPE B AGGREGATE BASE" and REPLACE with "**TYPE D AGGREGATE SUBBASE**" or "**TYPE D AGGREGATE BASE**". Make this change in pen and ink.

The following questions have been received:

Question: Page 46 of the Bid Book states that Aqua Maine will install a water main within the limits of the project and the work will be completed on or before May 15, 2010. Page 119 states the completion date for this contract is May 15, 2010. It appears that we may only have 1 day to complete this project. Is this correct or is there a revised completion date?

Response: Please see the above changes.

Question: Given the quantities and location on a dead end street, will a middle class paver, that has an 8 foot heated screed, be allowed?

Response: A middle class paver with an 8 foot heated screed like the Lee Boy 8515 will be allowed, although the Department reserves the right to deny use of any paver it feels does not comply with applicable sections of the Special Provision 403 Hot Mix Asphalt,

PRINTED ON RECYCLED PAPER

State of Maine Standard Specifications Section 401 – Hot Mix Asphalt and Section 403 – Hot Bituminous Pavement, prior to or during paving operations.

Question: Special Provision 17 allows for a smaller roller train, will density requirements be informational only under this Method D testing or will cores and density still need to be taken?

Response: Two cores maybe taken for informational purposes only.

Consider these changes and information prior to submitting your bid on **March 10, 2010**.

Sincerely,

Scott Bickford
Contracts & Specifications Engineer
