November 2, 2009  
Subject: **Freeport**  
Federal Project No: CM-1309(600)X  
State Project No. 013096.00  
**Amendment No. 2**

Dear Sir/Ms:

Make the following changes to the Bid Documents:

In the Bid Book (pages 4 thru 8), **REMOVE** the "SCHEDULE OF ITEMS" 5 pages dated 091013 and **REPLACE** with the attached new "SCHEDULE OF ITEMS" 5 pages dated 091102.

In the Plans, SHEET NUMBER 3 OF 20, "ESTIMATED QUANTITIES", **CHANGE** "Item No. 202.202 – REMOVE PAVEMENT SURFACE" to read as follows "**Item No. 202.203 – PAVEMENT BUTT JOINTS**" and **CHANGE** the "QUANITITY" from "803" to read "**30**". Make these changes in pen and ink.

The following questions have been received:

**Question:** There is no Special Provision 403?

**Response:** See page 61 in Contract Book.

**Question:** Where is item 202.202 used? Drives?

**Response:** Item 202.202 has been replaced with Item #202.203. See the attached new Schedule of Items.

**Question:** After reviewing Amendment #1 & Standard Provision 712.04, I forwarded all this information along to the curb manufacturer. Their response was that curb for items 609.111 and 609.1112 can not be made that meets Section 712.04 of the Standard Specifications. Please review and advise what product is to be used?

**Response:** After consulting with a curb manufacturer, all Special Granite Curb Items shall have a thickness of 5" up to 18." A uniform thickness must be used for all Special Granite Curb Items.

PRINTED ON RECYCLED PAPER

**Question:** We have looked and cannot find the area or a Special Provision that tells us what kind of trees, shrubs or perennials that are to be planted?

**Response:** See page 63 in Contract Book

Consider these changes and information prior to submitting your bid on **November 4, 2009.**

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Bickford". The signature is stylized and cursive.

Scott Bickford  
Contracts & Specifications Engineer
