February 12, 2010  
Subject: **Gorham**  
Federal Project No: CM-1615(400)X  
State Pin No: 016154.00  
**Amendment No. 2**

Dear Sir/Ms:

Make the following changes to the Bid Documents:

In the Bid Book (pages 4 thru 7), **REMOVE** the "SCHEDULE OF ITEMS", 4 pages dated 100201 and **REPLACE** with the attached new "SCHEDULE OF ITEMS", 4 pages dated 100212.

In the Bid Book, after page 70, **ADD** the attached "SPECIAL PROVISION, SECTION 645, Highway Signing, (Roadside Guide Signs)", 3 pages dated February 11, 2010.

The following question has been received:

**Question:** Reference Item: 607.33 Bracing Assembly Type II 66 ea.  
Is 66 ea. a misprint? Even 6 ea. of Type II Braces would seem like a lot. Could you please clarify this item?

**Response:** The quantity for "607.33 Bracing Assembly Type II – Metal Posts" should be 3 each for the quantity. Please see the above change.

Consider these changes and information prior to submitting your bid on February 24, 2010.

Sincerely,

Scott Bickford  
Contracts & Specifications Engineer
