COMMISSIONER

June 23, 2010
Subject: **Topsham**
State Project No: 017775.00
Amendment No. 1

Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book (page 41), **REMOVE** the “2010 Fair Minimum Wage Rates”, 1 page with a filing date of June 1st, 2010 and **REPLACE** with the attached, corrected “2010 Fair Minimum Wage Rates” 1 page with a filing date of June 16, 2010.

The following questions have been received:

Question: In reviewing the specifications for the project, I noticed that you include the 2010 Fair Minimum Wage Rates for Cumberland County. Shouldn't the wage rates reflect Sagadahoc County?

Response: Please see the attached new Wage Rates.

Question: Can you confirm this is a State project only and thus MBE/WBE goals are not required on this project?

Response: DBE goals are not applicable to this project.

Question: Will milling be permitted on the bridge deck on RT 196 over US 295? Is the pavement 2” like on RT 201?

Response: No cores have been taken. The successful bidder will be asked to take cores to determine a milling depth which will not exceed 2”.

Question: Many of Topsham's intersections now have cameras and not loop detectors, are the 39 detectors actually needed? On the RT 201 project, the loops were changed to camera's which is what Topsham is doing on most of the intersections.

PRINTED ON RECYCLED PAPER

Response: The milling operation is expected to remove all 39 detectors. Cameras are not planned at this time.

Consider this change and information prior to submitting your bid on June 30, 2010.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Bickford". The signature is fluid and cursive, with the first name "Scott" being more prominent than the last name "Bickford".
