Pin No. RFP20080618  
**Amendment No. 2**

Dear Sir/Ms:

The following questions have been received:

**Question:** Are all "points" on the side of the road?

**Response:** Most "points", but not all "points" are on the side of the road.

**Question:** If necessary, would MaineDOT supply a traffic detail to complete points that are in the middle of the road?

**Response:** The Department is responsible for traffic control, including signing and flagging, whenever the Contractor is in the road, either on the side or in the middle.

**Question:** How does MaineDOT verify cleaning of each point?

**Response:** The Department will accompany the Contractor when they are performing the work.

**Question:** Can regular maintenance points be done anytime during the year?

**Response:** The regular maintenance work can be done during the year, but the Contractor shall coordinate their schedule with the Department.
