Description

The catch basins must meet the requirements of State of Maine, Department of Transportation, Standard Specifications, Revision of December 2002 including, but not limited to section 604 – Manholes, Inlets, and Catch Basins and Standard Details Revision of December 2002 as updated through advertisement, Supplemental Specifications, Special Provisions, and Contract Agreement.

Delivery The Contractor shall deliver the materials to the MaineDOT Maintenance Lots as shown in the table below. The Contractor shall notify MaineDOT, Bill Emery, Construction Superintendent of Region 3 Headquarters, 207-562-4228 or cell phone 207-592-2959 a minimum of 48 hrs prior to delivery for delivery coordination. Alternative contacts are: John Rodrigue @ 207-592-0428 or Mark Hume @ 207-557-2609. The Contractor shall deliver the materials only during the following times: Monday through Friday, 7:00 AM through 3:30 PM except for deliveries may not be made on holidays, or government closure days. The Department will not off-load the materials at the delivery site.
