David Bernhardt  
COMMISSIONER

Dear Sir/Ms:

The answer to Amendment #1 has caused further questions so the Department is providing a second answer to clarify: Per Special Provision Section 104, the applicable wage rates depend on the assignment. If a federal assignment, the federal rates by county shall be met; if a State assignment, the Maine statewide rates shall be met. The assignment letter will state which rates apply for the assignment.

Consider this information prior to submitting your bid on April 11, 2012.

Sincerely,

  
George Macdougall  
Acting Contracts & Specifications Engineer
