COMMISSIONER

Dear Sir/Ms:

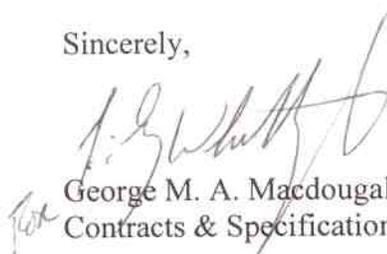

The following question has been received:

Question: Is excavation incidental to item 403.102 (special areas)?

Response: Yes it is, reference Special Provision 403.102 which reads:
"This item shall be used to repair damaged shoulder areas identified in the contract. Work shall include the removal of the existing shoulder pavement to the limits shown, regrading of the existing granular base, compacting the base if necessary, providing straight vertical match joints, tacking of all surfaces, placement and compaction of the replacements asphalt mixtures."

Consider this information prior to submitting your bid on February 27, 2013.

Sincerely,

George M. A. Macdougall P.E.
