The following question has been received:

Question: By the time the award process is complete, the job will potentially only commence the beginning of August leaving roughly 30 CD to complete the project by September 5, 2013. The maintenance of traffic item has an allowance of 60 CD, is it possible that the Department meant to have a completion date of October 5, 2013?

Response: The project completion date has been changed to October 5, 2013. Please see the above change.

Consider this change and information prior to submitting your bid on July 10, 2013.

Sincerely,

George M. A. Macdougall P.E.
