Dear Sir/Ms:

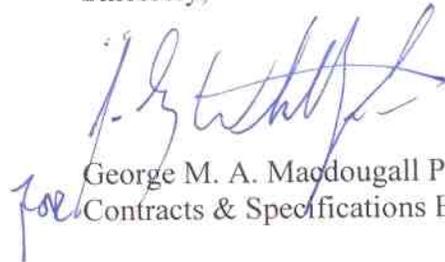

The following question has been received:

Question: Will the Department be responsible for the bulkheads?

Response: No. The Contractor is responsible for furnishing the materials and installing the bulkhead. Special Provision Section 502, Annular Space Grouting, Basis of Payment reads "The accepted work done under Annular Space Grouting will be paid for at the contract unit price per Lump Sum. Payment will be full compensation for furnishing and placing flowable fill including all forms, berms, bulkheads, pumping, and incidentals necessary."
