Engineering Department

**MAIN STREET SAFETY IMPROVEMENTS PROJECT**

MDOT PIN 18448.00

**Addendum No. 1**

August 7, 2014

To All Plan Holders:

The following changes, additions and/ or deletions are hereby made a part of the Bidding Documents for the **Main Street Safety Improvements Project** , July 16, 2014, as fully and completed as if same were fully set forth therein:

**Project Manual**

1. Replace Section C Bid Form with the new Section C as attached. Have added separate bid items #17 609.11 Vert. Curb Type 1 – Tapered Face Granite at the median islands and bid tem #18 609.11 Vert. Curb Type 1 – Granite.

All other provisions of the Bidding Documents remain the same.

All Bidders shall acknowledge receipt and acceptance of this Addendum Nos. 1 by signing the acknowledgement of addendum in Section C, bidform, page C-12. Bids submitted without acknowledgement of this Addendum shall be considered informal.

Respectfully submitted,

Ted Trembley, CE1  
City of Bangor Engineering Dept.

**BID DATE -- 2:00 PM, August 13, 2014**

**SECTION C**

**BID FORM**

To the City of Bangor, Maine, herein called the Owner, acting through its City Manager for the construction of the **Main Street Safety Improvements Project**, together with all related work specified in the specifications, and any other work necessary or incidental thereto.

The undersigned, as Bidder, herein referred to as singular and masculine, declares that the only parties interested in the bid as principals are named herein; that this bid is made without collusion with any other person, firm, or corporation; that no officer or agent of the Owner is directly or indirectly interested in this bid; that he has carefully examined the location of the proposed work, the annexed form of contract, and the plans and specifications therein referred to and he proposes and agrees that if this bid is accepted he will contract with the Owner, in the form of the copy of the Contract Agreement deposited in the office of the Engineer and attached hereto, to provide all necessary machinery, tools, apparatus, and other means of construction and to do all the work and furnish all the materials specified in this contract in the manner and time therein prescribed, and according to the requirements of the Engineer as therein set forth and that he will take in full payment for the work thereof the following unit prices.

The foregoing prices shall include all labor, materials, equipment, overhead, profit, insurance, etc., to cover the finished work of the several kinds called for.

If this Bid is accepted by the Owner and the undersigned fails to contract as aforesaid and to give a bond in the sum of the full amount of the Bid, with surety satisfactory to the Owner, within 10 days (not including Sundays or legal holidays) to an address given herewith that the Contract is ready for signature, then the Owner may by option determine that the Bidder has abandoned the Contract and therefore the Bid and Acceptance shall be null and void, and the bid bond shall be forfeited to the Owner.
