Dear Sir/Ms:

The following questions have been received:

**Question:** Is a Bid Bond required?

**Response:** No

**Question:** Will blasting be required to install the new lift station?

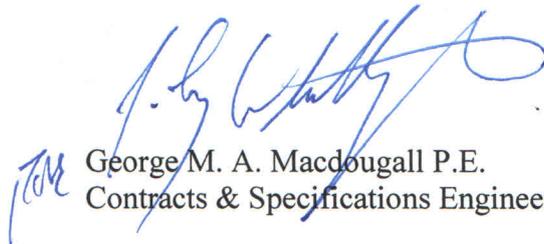

**Response:** Blasting is not anticipated as part of the contract.

**Question:** When excavating for the new lift station is ground water anticipated?

**Response:** There were no test holes or boring done as part of the scope of design so ground water is unknown.

Consider this information prior to submitting your bid on April 2, 2014.
