Amendment No. 1

Dear Sir/Ms:

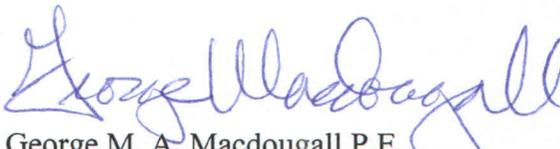

The following question has been received:

Question: The "Guardrail Detail" on Page 3 and Page 37 of the "Cross Sections" appear to show a double guardrail with two posts back-to-back. Is this intentional? If so, does all of the guardrail have double posts or is it just some locations?

Response: See Standard Specification 606.01 of the Department of Transportation, Standard Specifications, November 2014 Edition. Also refer to note under Guard Rail Detail to locations in the plan set, sheet 3 of 38.

Consider this information prior to submitting your bid on **March 25, 2015**.

Sincerely,

George M. A. Macdougall P.E.
