David Bernhardt
COMMISSIONER

September 17, 2015
Subject: Snow Plow and Ice Control
State WIN: PH20150902SPBBR
Location: **Bowdoin, Bowdoinham
& Richmond**
Amendment No.1

Dear Sir/Ms:

The following question has been received:

Question: If the snow accumulates on the sides of the interstate overpass bridges, is the Plowing Contractor required to use a loader to remove the snow?

Response: The removal of snow built up against the bridge rail, beyond that normally removed by plowing, is not included in the base lump sum price. When MaineDOT determines that the snow needs to be removed, either MaineDOT will remove the snow or we will arrange for the contractor to remove it at agreed rates.

Consider this change and information prior to submitting your bid on **September 23, 2015**.

Sincerely,

for George M. A. Macdougall P.E.
Contracts & Specifications Engineer
