Amendment No. 1

Dear Sir/Ms:

The following question has been received:

Question: 610.08-riprap. Can you give stationing for the 100cy of riprap to be placed?

Response: This item is to be used on various pipe ends/slop stabilization areas that may need more material. There are no specific areas in particular; they will be determined in the field by the Resident as needed

Question: 615.10 dirty borrow. Is it the intent to back up pavement on the entire 2.4 miles of the Clifton shim & overlay?

Response: The intent is to back up the pavement on the entire 2.4 miles of the Clifton Shim and Overlay with the appropriate equipment rental items. Item 615.10 Dirty Borrow will only be used if there is not enough existing material to back the pavement edge.

Consider this change and information prior to submitting your bid on **April 13, 2016**.

Sincerely,

George M. A. Macdougall P.E.
