COMMISSIONER

Dear Sir/Ms:

The following questions have been received:

Question: Bidding needs to have vehicle description, there is no page in the bod book for the vehicle description. (See page 37)

Response: Vehicle description is to be provided on a separate sheet. Brochures may also be attached.

Question: Excavator #2 says to have rubber tracks, not available on larger machine, Rubber track pads are hard to get.

Response: We are aware that rubber tracks and rubber track pads may not be readily available. We requested bids for both sections 3 & 5 but will be awarding either section 3 or 5 but not both.

Question: Are there pages for the explanation of exceptions for the technical spec sheet? (See page 36)

Response: The Bidders shall submit explanation of exceptions to the technical specifications on a separate sheet.

Consider this change and information prior to submitting your bid on **March 30, 2016**.

Sincerely,

George M. A. Macdougall P.E.
