Amendment No. 1

Dear Sir/Ms:

The following questions have been received:

Question: Is there any drawings available for this project?

Response: There are no drawings available.

Question: Page 9. Please clarify "Other Incidentals" mentioned in Scope of Work.

Response: See Special Provision Section 815 on page 38 for specific scope of work which includes "Other Incidentals".

Question: Page 38 Description Please clarify "This shall include replacing roof sheathing boards as directed by the Department and disposing of replaced sheathing boards and any other construction debris."

Response: Once existing roofing and underlayment has been removed the roof sheathing boards will be inspected by the resident to determine if any need to be replaced. If sheathing boards do need to be replaced they will be removed and replaced per item 815.02.

Question: Verify At site visit this am, it was noted that several vertical exterior wall sheathing boards were damaged (broken/holes/rot) should there be an allowance or min-max SF for repair?

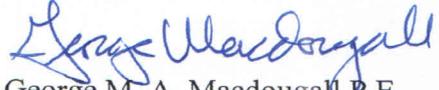

Response: This project is for reroofing only.
