Dear Sir/Ms:

The following question has been received:

Question: Are we correct in assuming that excavated material loaded into a truck will be paid for by Item 203.20 Common Excavation in addition to Item 203.2333 for transport and disposal?

Response: Excavation of material will be paid for under 203.20 Common Excavation. Disposal of excavated material will be paid for under 203.2333 Disposal Of Special excavation, and measured by weigh slip from the receiving facility.

Consider this change and information prior to submitting your bid on **March 30, 2016**

Sincerely,
