

Basics of the Manual on Uniform Traffic Control Devices

A "Roads Scholar" Requirement

Sponsored by Maine Local Roads Center

A Cooperative Program by Maine Department of Transportation and Federal Highway Administration

Please Note: This workshop is required for those towns participating in the "Warning and Regulatory Sign Package"

Who should attend:

- Road Commissioners
- Road Crew Foremen
- Public Works Directors
- Selectmen
- Town/City Managers
- Enforcement Personnel

This program is directed at municipal officials and employees and/or contractors who are responsible for maintaining roads in Maine.

If you are working on becoming a Maine "Roads Scholar" this is one of the required courses.

What will be Covered:

Here is a chance to find out what the best sign materials are!

- How speed limits are set
- Sign types & designs for local roads
- Center lines and other pavement markings
- Options for cross walks & school markings
- Traffic signals
- Bicycle facilities
- Work Zones
- Barrel or cones at pedestrian crossing
