

Work on Cony Circle Continues

Motorists urged to use alternate routes

Between now and mid-November, motorists should use alternate routes when possible in order to minimize congestion for those who live, work or go to school on the east side of Augusta. We regret this inconvenience and urge you to drive safely and allow plenty of extra time when traveling in this vicinity. This construction activity will result in the widening of the Cony Rotary and the roads leading to it including new curbing and traffic signals.
