Re: File # NAE-2008-00154

Jay

My name is Doug Morrell and I am writing to you today to go on the record by saying, we support the Caribou controlled access highway new alignment between routes 1 and 161 and feel this is a necessity for our community as well as surrounding communities for future growth.

And that we have no problem with the permits/certifications you have applied for.

Sincerely

Doug Morrell
