Maine Department of Transportation
Qualified Products List of
Concrete Crack Injection Products

¹ Approved for use by NHDOT'

² Approved for use by NJ DOT

³ Approved for use by Iowa DOT

⁴ Approved for use by Minnesota DOT

⁵ Except for gel time

PLEASE NOTE: Products often times may have multiple uses. Products appearing on this particular list are expressly pre-qualified for this category of usage only. Do not use these products for any other application unless this product is noted on other lists.

Sales Representatives seeking approval of a new product should submit their product's Materials Technical Data Sheet, Instructions for Installation, Material Safety Data Sheet, and a completed copy of MaineDOT's [New Product Evaluation Form](#) (PDF).

All products on the QPL must be re-certified five years from the date of prequalification, and every five years thereafter in order to remain on the list.

If you are experiencing difficulties reading or printing this page, or any page on the Qualified Products List website, please contact the Product Evaluation Coordinator at 207-624-3268.
