Island Pond Cemetery

1877 - 1915

CumHsn09

Harrison, Cumberland, Maine

Location: This small 24' x 35' plot is located 0.9 miles west Rte 117 on a slight knoll south of Temple Hill Road directly opposite the start of Island Pond Road. The white picket fence that surrounds the cemetery would lead one to believe, because of a house directly behind the area, that the fence is part of a dooryard.
