Location: This cemetery is a private cemetery on the property of Gladys Moore in West Baldwin, Me. Her property is located off the Burnell Neighborhood Road on the Ward's Hill Road. The cemetery is difficult to locate because it is now located in the woods which are fast becoming dense. Originally it was located at the edge of a pasture and there was a house in the area.

Day Cemetery

1854 - only death date

CumBri04

Bridgton, Cumberland, Maine

Location: About 1/4 mile up a lane leading from the highway as it goes from Bridgton to Denmark, Rte. 117. The cemetery is completely surrounded by a stone wall and a large pine tree growing in the enclosure. There is one stone on which words are very clear and one which is only partly visible. These may be the children of Samuel E. Day and his wife, Asenath Thompson Day, both of whom are buried in the High St. Cemetery; but since there were several Samuel E. Days, this may not be true. Besides other unmarked graves (maybe 2 or 3), the information on the two stones is in this record.

CumBri16

Bridgton, Cumberland, Maine

Located at the intersection of Middle Ridge Road (Four Corners to Upper Ridge) and the Highland Ridge Rd. (Golf Course over Chadbourne Hill to North Bridgton). Originally the front of the cemetery must have faced the field at right angles to the Highland Ridge Rd. as nearly all the stones face the field. For further information about this cemetery and the early Ridge families refer to the Bridgton Historical Society records of Blynn Davis & Dorothy Davis.

1792 - 1885

Brunswick, Cumberland, Maine

From Cook's Corner intersection, Old Rte 1 (aka Bath Road) north 2 miles, turn right on Adams Road. Cemetery is 1.2 miles on left. Though within the Brunswick limits, these cemeteries are much closer to West Bath & Harpswell. They are only about 15 feet apart and a few feet from the road. The area is over-grown. There may be unmarked graves between the 2 small lots. Stones are listed alphabetically. Square brackets [] indicate, added by compiler. Diagonals /// indicate, illegible. Spaces in epitaphs indicate, end of the line as cut on the stone. I transcribed these cemeteries summer 1999.

				Brunswick's Ancient Burying Ground was associated with Fort George, near the site of the former Cabot Mill, now a mixed-use building called Fort Andross. According to McKeen, the burying ground was "attached to the Fort of Gov. Andross, where Mr. Roger Merrill's store is. There were, in this grave yard many grave stones standing still within the recollection of some now living. They are now all broken down and lost, and all traces of their graves obliterated from the face of the earth. There are now no monuments to show that they ever had an existence. This should admonish to take effectual measures to secure what may remain of the sepulchers of our fathers."	
				In 1930 the local chapter of the DAR erected a monument outside Cabot Mill naming three persons interred in the Ancient Burial Ground, Benjamin Larrabee, Robert Dunning, and Andrew Dunning.

(Location: On upper Main Street near the intersection of Pleasant Hill Road. Was the site of the Meeting House of the First Parish Church which was begun in 1719 and completed in 1735 which was the time the cemetery was founded. The Meeting House was lost in a fire in 1834. The First Parish Memorial Garden was established in 2000 in the back end of the cemetery where the ashes of those recently deceased are placed and memorialized on a large polished granite monument. Many stones are slate and many can no longer be read. This record was made by Mr. George T. Little in 1877. They were published in the Maine Genealogist and Biographer of March, 1877. Only one grave yard in Brunswick is older.)

Gatchell Burying Ground

1771 - 1890

CumBru09

Brunswick, Cumberland, Maine

To reach it, at Cook's Corner take Route 24 towards Harpswell for 1.2 miles. Take a right onto Coombs Road for (directly across from Thomas Pt. Beach Road), road curves left. At .9 miles, take the right fork onto Purinton Road. At the end of the road (.3 miles) the Base will be directly in front, the New Meadows Cemetery will be to the right and woods will be on the left. The cemetery is about a 5-minute walk. There is a low (3-foot) barbed wire fence around the woods to the left. Just past the fence the limited access road follows the chain link fence that surrounds the base. There is a sign pointing in the general direction of the Gatchell Cemetery that is visible past the barbed wire. Walk along the chain link fence. The fence jogs around a road that has a large metal electrical utility box at the end of it. Keep going until weapons storage #71 is on the right. There will be a road to the left that leads to a utility post. Gatchell Cemetery is past the utility post.

Currently the cemetery is surrounded by a white picket fence that is leaning against trees or to the ground on the rear and right sides. If the fence posts were replaced, most of the same pickets could be re-used. The left side has the same two strand barbed wire fence outside it that was around the woods at the New Meadows Cemetery. The cemetery is surrounded on all 4 sides by woods and there are several trees inside the cemetery, two of which have sunken and broken granite stones around them. The cemetery is on a piece of high ground that slopes down sharply at the rear, right and past the road at the front. Other burial grounds in Brunswick also make use of the last flat area before a drop-off. Some headstones are slate, many are granite. Most of the graves with legible headstones also have initialed footstones. Great many stones are blank. Some have probably eroded over time, while others are sunken so deeply that the inscriptions may be underground. It is clear by depressions in the ground that some graves are unmarked.

Brunswick, Cumberland, Maine

Goddard is on the left of Lunt Road going towards Freeport, almost at the Freeport line. It is just past the driveway of 251 Lunt Road on a little rise in a small wooded area to the left of the road. It is surrounded on three sides (east, west, and south) by assessors lot 18 (251 Lunt Road.) According to notes on a plot plan created by James A. O'Neil, Jr. in 1992-3 and currently part of the Pejepscot Historical Society's collection, the entrance side is part of the Town's right of way. There are three field stone steps leading up to the stone wall on that (north) side. The area is rural, with large pastoral lots, and several recently built houses.

Ham Cemetery

1855 - 1856

CumBru13

Brunswick, Cumberland, Maine

Located: In East Brunswick to the rear of Bonnie Brook farm on Old Brunswick Rd. In the 1850's the city of Bath purchased some 40 acres for use as a town burial ground. There were already some burials here and a few more took place. Because of the distance from Bath, the city sold the property. It was intended that this cemetery be called Evergreen Cemetery. Now all that is left are a few scattered pieces of slate and marble and a couple of footstones. Everything has been completely vandalized

Wallace John		14-Dec	1869	Aet 78yrs	Call not back the dear departed, anchored safe where storms are o'er. On thy border land we left him, soon to meet and part no more. Far beyond this world of changes, Far beyond this world of care, We shall find our missing loved one, In our Father's mansion fair	CumBru22	271
Wallace Frances		30-Dec	1877	Aet 77yrs	Weep not that her toils are over, weep not that her race is run. God grant we may rest as calmly, when our work , like her's is done. Till then we yield with gladness, our mother to him to keep, and rejoice in the sweet assurance, He giveth his loved ones sleep	CumBru22	271.1
Wallace Miriam		19-Sep	1886	Aet 55yrs	Jesus while our hearts are bleeding o'er the spoils that death has won, We would at this solemn meeting calmly say, "Thy will be done". Thou bloomdst as blooms a lovely flower, first opened by the vernal shower, that died beneath the sun's full power, and rest in peace! Like balmy dews their accents fill, still, still on memory's ear they dwell, too pure were aethly notes to swell, they rose to heaven"	CumBru24	921

Cobb George	10 Jun 1794 - fell asleep 9 May 1882 Aet 88yrs "Remember the Sabbath day to keep it holy. Six days shall thee be in labor and do all thy work: but the seventh day is the Sabbath of the Lord thy God. In it thou shall not do any work; thou nor thy son nor thy daughter, thy man servant nor thy maid servant nor thy cattle nor thy starnger that is within thy gate. For in six days the Lord made heaven and earth the sea and all that in them is and rested the seventh day. Wherefore the Lord blessed the Sabbath day and hallowed it. The Law of the Lord is perfect converting the soul; the test in any of the Lord is sure making wise the simple, the statues of the Lord, the right rejoicing the heart. The commandment of the Lord is pure enlightening the eyes.	CumBru27	851

The voice is mute and stilled the heart that loves us well and true. Ah, bitter was the trial to part from one so good as you. You are not forgotten loved one, nor will you ever be. As long as life and memory last, we will remember thee. We miss you now, our hearts are sore, as time goes by we miss thee more. Your loving smile, your gentl face, no one can take your vacant place. Flanagin	Lucille Edwards	July 22, 1931- . [Note--There's a plaque on the back that reads, "June 10, 1997. A Tribute to Elton & Lucille. This is a short summary of the lives of two rare people in today's world. They were married in their teens and raised a family of four children. Besides taking care of their own, there was time spent during all those years doing something for others. Family; friend; neighbor or acquaintance, these acts of kindness ranged from inviting live-ins to stay, caring for sick and aged, building a house or fixing a car. Whatever had to be done was done, and all of this without asking. No couple that I know ever spent more time doing for others and still managed their own affairs so very well. May Elton rest in peace and Lucille continue to live the good life with the memory of the time they spent together, a time just short of fifty years. W. F. In God We Trust."]	CumCas05	35

CumFal16

Falmouth, Cumberland, Maine

Location: 29 Blackstrap Rd. The old Quaker Church, built in 1740 stood on this ground. In Fall, 1975, there were no stones standing; two were lying flat, quite a ways from the road in the woods. Three small stones with just initials were left near the road. The owner of the land says other stones were carried off over the years by boys.
