

Type of Edit:
**Road name change, two address range changes
 and a portion of road removed.**

One *Maine Enhanced 9-1-1 Update Form* will need to be filled out for the above edit. The following sections are found on *MSAG Update Forms* and serves as an example as to what information needs to be provided to MEGIS in order to complete the edit. In addition, please provide *all* the information noted on the map above by marking it on a *copy* of the map book page. *Please* submit both the map book page and the *Update Form* to MEGIS.
