# **MLTI PROGRAM UPDATES**

## **Acceptable Use Policy, Take Home Policy & Fee Based Programs**

<http://www.maine.gov/mlti/aup/index.shtml>

A reminder to all schools to check this page - if you have links posted, check their accuracy and let us know of any corrections to be made.

If no links have been posted, please send them to us asap!

- 1.SAU agrees to implement and publish on its website Board-approved policies and procedures that allow students to take the devices home to support his/her learning.
- 2.SAU agrees to implement and publish on its website its Board-approved Acceptable Use Policy.
- 3.SAU agrees that any fee-based programs associated to MLTI (i.e. device protection plans) will be Board-approved and published on its website

## **Events & Events Request Pages**

<http://maine.gov/mlti/events/index.shtml> & <http://www.maine.gov/mlti/events/request.shtml>

A reminder that all current events are listed. If a school needs a training that is not currently scheduled, please use the online request form. Remember to work with your leadership prior to requesting an event.

## **Mailing Lists**

<http://maine.gov/mlti/rss-feeds.shtml>

We are trying to re-populate our new lists. You can sign up staff and/or adjust your settings for our mailing lists here.

If you wish to sign up several teachers for the mailing list, just send us a list of email addresses and we can add them for you.

Adding more staff to the list is helpful as more people receive information on current events and MLTI updates.
