

NOTICE REGARDING ANTHEM DATA BREACH (Feb. 5, 2015)

An estimated 80 million current and former Anthem members nationwide had key personal information exposed due to a recent cyberattack of the insurance company's IT system.

Information obtained by the hackers includes:

- Names
- Birth dates
- Medical IDs/Social Security Numbers
- Employment/Income Data
- Street addresses
- Email addresses

Anthem will:

- individually notify current and former members whose information has been accessed
- provide credit monitoring and identity protection services free of charge for one year to those affected (expected to be available two weeks from the date of this notice and retroactive to January 27th).

Current and former members may contact Anthem with questions about the breach at:

- Anthem's dedicated website: www.anthemfacts.com
- Anthem's dedicated toll-free number: 877-263-7995
