On June 4, 2012, I issued a notice scheduling the above matter for hearing on June 18, 2012. On June 8, 2012, Bureau Staff filed a motion to continue the hearing because one of its key witnesses is unavailable to testify on June 18th. For good cause shown, the Staff's motion is granted. The hearing is hereby continued to Wednesday, June 20, 2012, beginning at 1:00 p.m. The remaining date(s) for hearing, if needed, will be determined at the conclusion of the hearing on June 20th.
