**Informational Letter Regarding Continuing Professional Education Requirements
For Licensed Dietitians and Dietetic Technicians**

Dear Licensees:

At a recent meeting, the board discussed its continuing education requirements as outlined in Chapter 2, Section 3 of the board's rules. Specifically, the board discussed whether or not licensees could use **webinars** and **live teleconference activities** as meeting the requirements.

After a thorough discussion, the board concluded that webinars and live teleconference activities do meet the continuing education requirements so long as the activities satisfy the content criteria for **Category 2** activities as outlined in Chapter 2, Section 3(B)(2)(b) of the board's rules.

However, please note that webinars and live teleconference activities **will not** be considered as meeting the **Category 1** activities as outlined in Chapter 2, Section 3(B)(2)(a).
