Note: The curriculum must include a minimum of 500 clock hours of supervised classroom and clinical instruction. (Rule #02-041, Chapter 300, Section 3, A) If a school listed above offers both in-class and distance-learning (e.g., CD-ROM), then only the program meeting this regulatory requirement is approved.

Prospective applicants intending to meet the academic requirements for licensure by passing a national examination may choose, at their own risk, to use distance-learning options in preparation for the NCBTMB or the MBLEx.
