

# SAVE THE DATE!

## Fostering Financial Literacy in Maine Schools Conference

- **For educators, administrators and counselors who are dedicated to improving the financial capability of Maine students.**
- **Free classroom resources & curriculum!**
- **In 2011, over 100 teachers, counselors and others attended the Conference.**
- **This Conference is made possible by The Maine Office of Securities, Bangor Savings Bank, The Maine Credit Union League, The Finance Authority of Maine and many, many more!**

**Thursday, April 26, 2012**

**8:00 – 4:00 p.m.**

**Augusta Civic Center**

This year's conference will feature an intensive personal financial education "boot camp" developed by nationally-recognized personal finance educators, designed to improve your capacity to include personal finance instruction in the classroom.

**Mark your calendars for this resource-rich event, featuring FREE financial education resources for K-12 students, and young adults.**

**Registration Coming Soon!**
