## NOTICE OF RULEMAKING

State Board of Licensure  
for Professional Engineers  
92 State House Station  
Augusta, ME 04333-0092

The State Board of Licensure issued a Notice of Rulemaking on April 4, 2014.

CHAPTER NUMBER AND RULE TITLE: 02-322 Rules of the State Board of Licensure for Professional Engineers

STATUTORY AUTHORITY: 32 M.R.S.A. §1306 (2)

SUMMARY: The State Board of Licensure for Professional Engineers is proposing to repeal chapters 1-3 and replace them with new chapters 1-6. Revisions enacted in 2013 to 32 MRSA § 1251 et. seq. regarding national licensing examinations prompted rule revisions. Additional changes include clarifications of the use of the seal, corrections, the elimination of redundancies, and division into small topic-specific chapters. The rule revision streamlines the application process for Engineer-Interns. The rules should be more accessible and easier to read and understand in smaller topic-specific chapters.
