Cancellation Policy - The State recognizes that there is a cost to a Contractor for arranging to provide a service that is then cancelled by the State with little advanced notice. Although Contractors may have different policies regarding cancellations, as specified in the RFP the cancellation policy below will be in effect under this contract.

When a cancellation is necessary, the State will provide the Contractor with varying degrees of notice, depending on the number of service hours scheduled. The Chart of Cancellation Notice and Corresponding Payments show the variation between assignment length and notice given.

Chart of Cancellation Notice and Corresponding Payments

Assignment Length	Cancellation Notice Given				
	Within 2 business days	Between 2 to 3 business days	Between 3 to 5 business days	Between 5 to 10 business days	10 or more business days
Less than 3 hours	100% of scheduled service hours	Not billable	Not billable	Not billable	Not billable
3 or more hours in a single day	100% of scheduled service hours	100% of scheduled service hours	Not billable	Not billable	Not billable
2 to 3 days	100% of scheduled service hours	100% of scheduled service hours	100% of scheduled service hours	50% of scheduled service hours	Not billable
4 or more days	100% of scheduled service hours	Not billable			

IMPORTANT – The following considerations are taken into account for cancellations:

- Cancellation due to weather conditions (for example, snow) is considered not billable.
- Billing for cancelled assignments shall be at the same hourly rate as the service category.
- Billing shall apply for any *actual* travel miles that the interpreter(s) incurred.
- Full or partial cancellation of assignments greater than 10 business days will not be reimbursed for more than 10 cancelled business days. (For example, if an interpreter has a six-month assignment, and it is cancelled with less than 10 days notice, per the chart above, then the State will only be liable to pay for up to 10 days of the six-month assignment, not the full six-months.)

BP 54 - AGREEMENT TO PURCHASE SERVICES

Special conditions for cancellations may be negotiated, if necessary, at the time of each request; otherwise the chart shown above shall apply. Such special conditions must be captured in writing.

Attachment 1 In-Person Interpreter's Signature of Agreement - At time of assignment, any in-person interpreter utilized by the State of Maine shall sign a statement *In-Person Interpreter's Signature of Agreement* certifying they can interpret fluently in the language needed and indicated whether they can speak, write and/or understand the language.

Attachment 2 Interpreter Request & Confirmation of Services Form - At time of assignment, each appointment arranged through the Contractor, the interpreter will complete the *Interpreter Request & Confirmation of Services Form*. The Department's signature is required to authorize the Contractor's payment for the interpreter.

Attachment 3 Bill and Confirmation of Services Form - Invoices for services must be submitted on a monthly basis (once per month) and shall show; Date of appointment, requesting agency, name of client, start time and end time of service, and name of the interpreter. Each line on the invoice must correspond with an original signed and completed *Bill and Confirmation of Services Form* provided with the invoice.

Attachment 4 BA Agreement - The Provider shall comply with Federal and State statutes and regulations for the protection of information of a confidential nature regarding all persons served under the terms of this Agreement. In addition, the provider shall comply with Title II, Subtitle F, Section 261-264 of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, titled "Administrative Simplification" and the rules and regulations promulgated thereunder.

To the extent the Provider is considered a Business Associate under HIPAA; the Provider shall execute and deliver a Business Associate agreement (*BA agreement*) in a form acceptable to the State. The terms of the BA agreement shall be incorporated into this Agreement by reference. The State shall have recourse to such remedies as are provided for in this Agreement for breach of contract, in the event the Provider either fails to execute and deliver such BA agreement to the State or fails to adhere to the terms of the BA agreement.

Attachment 5 Confidentiality In-Person Interpreter's Signature of Agreement - At the time of assignment all in-person interpreters may be asked to sign a *Confidentiality In-Person Interpreter's Signature of Agreement* before services are rendered. No other individual employed by the State at the time this Agreement is executed or any time thereafter shall be admitted to any share or part of this Agreement or to any benefit that might arise therefrom directly or indirectly due to his employment by or financial interest in the Provider or any affiliate of the Provider, without the written consent of the State Purchases Review Committee. The Provider shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Agreement so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

13. **WARRANTY** The Provider warrants that it has not employed or contracted with any company or person, other than for assistance with the normal study and preparation of a proposal, to solicit or secure this Agreement and that it has not paid, or agreed to pay, any company or person, other than a bona fide employee working solely for the Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon, or resulting from the award for making this Agreement. For breach or violation of this warranty, the Department shall have the right to annul this Agreement without liability or, in its discretion to otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

14. **ACCESS TO RECORDS** As a condition of accepting a contract for services under this section, a contractor must agree to treat all records, other than proprietary information, relating to personal services work performed under the contract as public records under the freedom of access laws to the same extent as if the work were performed directly by the department or agency. For the purposes of this subsection, "proprietary information" means information that is a trade secret or commercial or financial information, the disclosure of which would impair the competitive position of the contractor and would make available information not otherwise publicly available. The Provider shall allow inspection of pertinent documents by the Department or any authorized representative of the State of Maine or Federal Government, and shall furnish copies thereof, if requested. This subsection applies to contracts, contract extensions and contract amendments executed on or after October 1, 2009.

15. **TERMINATION** The performance of work under the Agreement may be terminated by the Department in whole, or in part, whenever for any reason the Agreement Administrator shall determine that such termination is in the best interest of the Department. Any such termination shall be effected by delivery to the Provider of a Notice of Termination specifying the extent to which performance of the work under the Agreement is terminated and the date on which such termination becomes effective. The Agreement shall be equitably adjusted to compensate for such termination, and modified accordingly.

16. **GOVERNMENTAL REQUIREMENTS** The Provider warrants and represents that it will comply with all governmental ordinances, laws and regulations.

17. **GOVERNING LAW** This Agreement shall be governed in all respects by the laws, statutes, and regulations of the United States of America and of the State of Maine. Any legal proceeding against the State regarding this Agreement shall be brought in State of Maine administrative or judicial forums. The Provider consents to personal jurisdiction in the State of Maine.

18. **STATE HELD HARMLESS** The Provider agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims, costs, expenses, injuries, liabilities, losses and damages of every kind and description (hereinafter in this paragraph referred to as "claims") resulting from or arising out of the performance of this Agreement by the Provider, its employees, agents, or subcontractors. Claims to which this indemnification applies include, but without limitation, the following: (i) claims suffered or incurred by any contractor, subcontractor, materialman, laborer and any other person, firm, corporation or other legal entity (hereinafter in this paragraph referred to as "person") providing work, services, materials, equipment or supplies in connection with the performance of this Agreement; (ii) claims arising out of a violation or infringement of any proprietary right, copyright, trademark, right of privacy or other right arising out of publication, translation, development, reproduction, delivery, use, or disposition of any data, information or other matter furnished or used in connection with this Agreement; (iii) Claims arising out of a libelous or other unlawful matter used or developed in connection with this Agreement; (iv) claims suffered or incurred by any person who may be otherwise injured or damaged in the performance of this Agreement; and (v) all legal costs and other expenses of defense against any asserted claims to which this indemnification applies. This indemnification does not extend to a claim that results solely and directly from (i) the Department's negligence or unlawful act, or (ii) action by the Provider taken in reasonable reliance upon an instruction or direction given by an authorized person acting on behalf of the Department in accordance with this Agreement.

19. **NOTICE OF CLAIMS** The Provider shall give the Contract Administrator immediate notice in writing of any legal action or suit filed related in any way to the Agreement or which may affect the performance of duties under the Agreement, and prompt notice of any claim made against the Provider by any subcontractor which may result in litigation related in any way to the Agreement or which may affect the performance of duties under the Agreement.

20. **APPROVAL** This Agreement must have the approval of the State Controller and the State Purchases Review Committee before it can be considered a valid, enforceable document.

21. **LIABILITY INSURANCE** The Provider shall keep in force a liability policy issued by a company fully licensed or designated as an eligible surplus line insurer to do business in this State by the Maine Department of Professional & Financial Regulation, Bureau of Insurance, which policy includes the activity to be covered by this Agreement with adequate liability coverage to protect itself and the Department from suits. Providers insured through a "risk retention group" insurer prior to July 1, 1991 may continue under that arrangement. Prior to or upon execution of this Agreement, the Provider shall furnish the Department with written or photocopied verification of the existence of such liability insurance policy.
22. **NON-APPROPRIATION** Notwithstanding any other provision of this Agreement, if the State does not receive sufficient funds to fund this Agreement and other obligations of the State, if funds are de-appropriated, or if the State does not receive legal authority to expend funds from the Maine State Legislature or Maine courts, then the State is not obligated to make payment under this Agreement.
23. **SEVERABILITY** The invalidity or unenforceability of any particular provision or part thereof of this Agreement shall not affect the remainder of said provision or any other provisions, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.
24. **INTEGRATION** All terms of this Agreement are to be interpreted in such a way as to be consistent at all times with the terms of Rider B (except for expressed exceptions to Rider B included in Rider C), followed in precedence by Rider A, and any remaining Riders in alphabetical order.
25. **FORCE MAJEURE** The Department may, at its discretion, excuse the performance of an obligation by a party under this Agreement in the event that performance of that obligation by that party is prevented by an act of God, act of war, riot, fire, explosion, flood or other catastrophe, sabotage, severe shortage of fuel, power or raw materials, change in law, court order, national defense requirement, or strike or labor dispute, provided that any such event and the delay caused thereby is beyond the control of, and could not reasonably be avoided by, that party. The Department may, at its discretion, extend the time period for performance of the obligation excused under this section by the period of the excused delay together with a reasonable period to reinstate compliance with the terms of this Agreement.
26. **SET-OFF RIGHTS** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any monies due to the Provider under this Agreement up to any amounts due and owing to the State with regard to this Agreement, any other Agreement, any other Agreement with any State department or agency, including any Agreement for a term commencing prior to the term of this Agreement, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Controller.
27. **ENTIRE AGREEMENT** This document contains the entire Agreement of the parties, and neither party shall be bound by any statement or representation not contained herein. No waiver shall be deemed to have been made by any of the parties unless expressed in writing and signed by the waiving party. The parties expressly agree that they shall not assert in any action relating to the Agreement that any implied waiver occurred between the parties which is not expressed in writing. The failure of any party to insist in any one or more instances upon strict performance of any of the terms or provisions of the Agreement, or to exercise an option or election under the Agreement, shall not be construed as a waiver or relinquishment for the future of such terms, provisions, option or election, but the same shall continue in full force and effect, and no waiver by any party of any one or more of its rights or remedies under the Agreement shall be deemed to be a waiver of any prior or subsequent rights or remedy under the Agreement or at law.

1. Term of Agreement

This Agreement shall be effective 10/1/2014 and shall continue to 8/30/2015. This Agreement shall automatically renew itself for an additional twelve-month period unless otherwise terminated by either party. In the event that this Agreement is automatically renewed, the Business Associate agrees to be bound by the Terms and Conditions currently in effect. The confidentiality provisions of this Agreement shall **survive indefinitely**, even beyond the termination of this Agreement, or as defined under provisions of law.

2. Termination of Agreement

Upon termination of this agreement the Business Associate is required, if feasible, to return or destroy all PHI received from or created or received by the Business Associate on behalf of the State and retain no copies. If returning or destroying PHI is not feasible, Business Associate agrees to protect the confidentiality of the PHI to the extent required by HIPAA and any regulations promulgated there under, and limit any further use or disclosure to those purposes that make the return or destruction of the information infeasible. Either party may terminate the Agreement by 30 day written notice to the other party.

3. Termination for Cause

Upon the State's knowledge of a material breach by the Business Associate, the State shall either, at its sole discretion:

Provide the Business Associate an opportunity to cure the breach or end the violation within a time frame and upon such conditions as established by the State;

Immediately terminate this Agreement in the event the Business Associate has breached a material term of this Agreement and cure is not possible; or

In the event neither termination nor cure is feasible, the State shall report the violation to the Secretary.

4. Permitted Uses and Disclosures

The only permitted uses and disclosure of PHI in this agreement are stated in Attachment A, if present. Except as otherwise limited by this agreement, the Business Associate may use or disclose Protected Health Information to perform functions, activities or services for, or on behalf of, the State provided that such use and disclosure would not violate HIPAA, the regulations promulgated there under, or the HIPAA minimum necessary policy. The Business Associate will disclose protected health information only as permitted, or required by this Agreement, or as required by law.

Business Associate is required to maintain and make available the information required to provide an accounting of disclosures in accordance with 45 CFR 164.528. The Business Associate will make available PHI for amendment as permitted by 45 C.F.R. 164.526, within 60 days from the time of request.

The Business Associate will make its internal practices, books and records relating to the use or disclosure of PHI received from the State or created or received by the Business Associate on behalf of the State, available to either the State or the HHS Secretary for the purposes of determining the compliance of either the State or the Business Associate with the Medicaid Act and HIPAA Privacy Rule. 45 C.F.R. 164.504.

6. Inappropriate Use and Disclosure

The Business Associate is required to report to the State any inappropriate use or disclosure of the PHI of which it becomes aware, i.e. use or disclosure not permitted in this agreement or permitted by law. Business Associate will make such report to the Department Privacy Officer or designee by the end of the following business day.

The Business Associate shall exhaust, at its sole expense, all reasonable efforts to mitigate any harmful effect known to the Business Associate arising from the use or disclosure of PHI by Business Associate in violation of the terms of this Agreement.

7. Appropriate Safeguards

The Business Associate will implement, to the State's satisfaction, all reasonable and appropriate administrative, physical and technical safeguards to protect the confidentiality, integrity and availability of PHI. The Department using the Business Associate's services shall notify the Business Associate of any changes, revocations, restrictions or permissions by an individual to the use and disclosure of his/her PHI.

The HIPAA Privacy Rule allows covered entities, at their discretion, to accommodate requests for confidentiality by the subject of the PHI. If the State has agreed to accommodate a confidentiality request, it has a duty to disclose such to its trading partners in order to allow the trading partner to honor the confidentiality agreement.

9. Agents

The Business Associate agrees to ensure that any agent, including a subcontractor to whom it provides or entrusts PHI as defined in this Agreement, will agree to the same restrictions and conditions governing PHI which apply to the Business Associate with respect to such information under the terms and conditions of this Agreement.
