PROGRAM MEMORANDUM—FY 2016

TO: State Directors of Career and Technical Education

FROM: Sharon Lee Miller
Director
Division of Academic and Technical Education

SUBJECT: Estimated Fiscal Year (FY) 2016 State Allocations under the *Carl D. Perkins Career and Technical Education Act of 2006* (Perkins IV) and Request for Conforming Revisions to State Plans, Including Budgets (OMB Approval Number 1830-0029)

In follow-up to the February 5, 2016, program memorandum from Acting Assistant Secretary Johan E. Uvin, I am pleased to provide you with estimated State allocations for FY 2016 under Title I (Career and Technical Education Assistance to the States) of the *Carl D. Perkins Career and Technical Education Act of 2006* (Perkins IV or the Act). These are the figures your State must use when it submits its budget for FY 2016 as part of its State plan revisions. As noted in the February 5 memorandum, revisions are due by April 1, 2016, if your State will submit Perkins as part of a Workforce Innovation and Opportunities Act (WIOA) Combined State Plan or April 18, 2016, if your State will submit not submit a combined plan.

Pursuant to the *Consolidated Appropriations Act,* 2016, Pub. L. No. 114-113, the first portion of Title I funds (approximately 30 percent) becomes available for obligation by the Secretary on July 1, 2016. Under the *Education Department General Administrative Regulations* (EDGAR) at 34 CFR § 76.703(d), July 1, 2016 is the earliest date that your State can obligate these funds. The remainder of your Title I funds will become available on October 1, 2016. Your State must obligate all funds by September 30, 2017. In addition, under the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Final Rule (Uniform Guidance) at 2 CFR § 200.343 (b), you must liquidate obligations within 90 days of the end of the funding period unless an extension is approved by this office.

Table 1 provides estimated Title I allocations for each State and outlying area, including the split of funds between July 1 and October 1. Please note the following with regard to the estimated allocations:

- Perkins IV requires that States distribute secondary funds under section 131(a)(2) of the Act based on the Bureau of the Census' estimate of the number of individuals aged 5 through 17, inclusive, who reside in the school district served by such local educational agency and are from families below the poverty level for the preceding fiscal year, as determined by the most recent satisfactory data used under section 1124(c)(1)(A) of the

Elementary and Secondary Education Act of 1965, as amended (ESEA) compared to the total number of individuals who reside in the school districts served by all the local educational agencies in the State for such preceding fiscal year. ***This computation must be based on the 2014 poverty estimates provided by the Bureau of the Census (in the column entitled "Relevant age 5 to 17 in families in poverty"), which are based on 2013-2014 school district boundaries, and which may be obtained at: http://www.census.gov/did/www/saipe/downloads/sd14/index.html***

- Perkins IV also requires that States distribute secondary funds under section 131(a)(1) of the Act based on the number of individuals aged 5 through 17, inclusive, who reside in the school district served by such local educational agency for the preceding year compared to the total number of such individuals who reside in the school districts served by all local educational agencies in the State for such preceding fiscal year. ***This computation must be based on either—***

  - ***The 2014 age-5-through-17 population estimates provided by the Bureau of the Census (in the column entitled "Relevant age 5 to 17"), which are based on 2013-2014 school district boundaries, and which may be obtained at: http://www.census.gov/did/www/saipe/downloads/sd14/index.html***

Please share these estimated allocations with your State's secondary or postsecondary counterpart, fiscal staff, and other appropriate individuals. This memorandum will be available on the Perkins Collaborative Resource Network at cte.ed.gov.
