# HAZARD MITIGATION PLAN

## TABLE OF CONTENTS

<b>1.</b>	<b>PREREQUISITES</b> .....	1-1
	<b>INTRODUCTION</b> .....	1-2
	Background .....	1-2
	Demographic and Resource Profiles.....	1-2
<b>2.</b>	<b>THE PLANNING PROCESS</b> .....	2-1
	<b>DOCUMENTATION OF THE PLANNING PROCESS</b> .....	2-1
	How the Plan was Prepared .....	2-1
	Who was Involved and How Other Agencies Participated .....	2-3
	How the Planning Team Reviewed Each Section of the Plan .....	2-3
	<b>COORDINATION AMONG AGENCIES</b> .....	2-3
	How Federal and State Agencies Were Involved.....	2-3
	How Interested Groups Were Involved .....	2-4
	How Coordination has Changed since Approval of the Last Plan.....	2-4
	<b>PROGRAM INTEGRATION</b> .....	2-4
	Integration with Other State Planning Efforts .....	2-4
	Integration with FEMA Mitigation Programs .....	2-5
	<b>ISSUES AND CHALLENGES</b> .....	2-5
<b>3.</b>	<b>RISK ASSESSMENT</b> .....	3-1
	<b>INTRODUCTION</b> .....	3-1
	Climate and Geography .....	3-1
	Temperature.....	3-1
	Precipitation.....	3-2
	Prevailing Winds.....	3-3
	Topographic Features .....	3-3
	Sea Level Rise .....	3-4
	<b>IDENTIFYING HAZARDS</b> .....	3-6
	<b>PROFILING HAZARDS</b> .....	3-8
	Flooding.....	3-9
	• General Definition .....	3-9
	• Flood Types in Maine.....	3-9
	• Nature of Hazard.....	3-11
	• Location of Hazard .....	3-12
	• Previous Occurrences.....	3-15
	• Probability of Occurrence.....	3-23
	• Issues and Challenges.....	3-24
	Winter Storm .....	3-26
	• General Definition .....	3-26
	• Types of Winter Storms in Maine.....	3-26
	• Nature of Hazard.....	3-27

• Location of Hazard.....	3-27
• Previous Occurrences.....	3-28
• Frequency of Occurrence .....	3-30
• Probability of Occurrence.....	3-30
Hurricane.....	3-31
• General Definition .....	3-31
• Nature of Hazard.....	3-32
• Location of Hazard.....	3-33
• Previous Occurrences.....	3-34
• Probability of Occurrence.....	3-35
• Issues and Challenges.....	3-36
Erosion/Landslides.....	3-37
• General Definition .....	3-37
• Nature of Hazard.....	3-37
• Location of Hazard.....	3-40
• Previous Occurrences.....	3-40
• Frequency of Occurrence .....	3-41
• Probability of Occurrence.....	3-41
• Issues and Challenges.....	3-41
Wildfire .....	3-43
• General Definition .....	3-43
• Nature of Hazard.....	3-43
• Location of Hazard.....	3-44
• Previous Occurrences.....	3-45
• Frequency of Occurrence .....	3-49
• Probability of Occurrence.....	3-50
Blight/Infestation.....	3-51
• General Definition .....	3-51
• Nature of Hazard.....	3-51
• Location of Hazard.....	3-51
• Previous Occurrences.....	3-52
• Frequency of Occurrence .....	3-54
• Probability of Occurrence.....	3-55
Summer Storm .....	3-56
• General Definition .....	3-56
• Types of Summer Weather Events .....	3-56
• Nature of Hazard.....	3-57
• Location of Hazard.....	3-57
• Frequency of Occurrence .....	3-58
• Probability of Occurrence.....	3-60
Drought.....	3-61
• General Definition .....	3-61
• Nature of Hazard.....	3-61
• Location of Hazard.....	3-61
• Previous Occurrences.....	3-62
• Frequency of Occurrence .....	3-63
• Probability of Occurrence.....	3-63
Earthquake.....	3-64
• General Definition .....	3-64
• Nature of Hazard.....	3-64
• Location of Hazard.....	3-65
• Previous Occurrences.....	3-66

• Probability of Occurrence.....	3-66
ASSESSING VULNERABILITY BY JURISDICTION.....	3-67
Description of State’s Vulnerability.....	3-67
Jurisdictions Most Threatened and Vulnerable to Damages.....	3-67
Process Used to Analyze Information from County Risk Assessments .....	3-68
Changes in Development for Jurisdictions in Hazard Prone Areas.....	3-69
ASSESSING VULNERABILITY OF STATE FACILITIES.....	3-70
ESTIMATING POTENTIAL LOSSES BY JURISDICTION .....	3-71
Overview and Analysis of Potential Losses to Structures .....	3-71
Potential Losses Identified in Local Risk Assessments.....	3-71
• Flood Losses .....	3-71
• Winter Storm Losses .....	3-72
• Hurricane Losses .....	3-72
• Wildfire Losses .....	3-73
• Blight and Infestation Losses .....	3-73
• Summer Storm Losses .....	3-73
• Drought Losses .....	3-74
• Earthquake Losses.....	3-74
Effects of Changes in Development on Loss Estimates.....	3-74
ESTIMATING POTENTIAL LOSSES OF STATE FACILITIES .....	3-75
Flooding.....	3-75
Winter Storm .....	3-76
Hurricane.....	3-76
Wildfires.....	3-77
Blight and Infestation.....	3-77
Summer Storms .....	3-77
Drought.....	3-77
Earthquakes .....	3-77
Hazard Profile Work Sheet.....	3-77
Hazard Ratings Matrix.....	3-78
<b>4. MITIGATION STRATEGY .....</b>	<b>4-1</b>
INTRODUCTION.....	4-1
STATE CAPABILITY ASSESSMENT .....	4-1
Evaluation of State’s Policies, Programs and Capabilities .....	4-1
Organizational Chart of Maine State Government .....	4-2
State Mitigation Capabilities by Hazard Matrix.....	4-3
Summary .....	4-7
Evaluation of Policy Related to Development in Hazard Prone Areas .....	4-8
Hazard Mitigation Capabilities that have Changed Since 2004 .....	4-8
State Hazard Mitigation Strategy Capability Assessment Matrix .....	4-9
LOCAL CAPABILITY ASSESSMENT .....	4-13
General Description and Analysis of Policies, Programs, Capabilities.....	4-13
General Summary, Local Capabilities by Hazard Matrix.....	4-16
FUNDING SOURCES .....	4-17

GOALS, OBJECTIVES AND STRATEGIC MEASURES .....	4-18
Administration.....	4-19
Flooding.....	4-22
Winter Storm .....	4-24
Summer Storm/Hurricane.....	4-25
Erosion/Landslides .....	4-26
Wildfires.....	4-27
Blight and Infestation.....	4-28
Drought.....	4-28
Earthquakes .....	4-29
Priorities .....	4-30
Mitigation Action Criteria Table .....	4-30
Mitigation Actions – Criteria Points Worksheet .....	4-31

**5. COORDINATION OF LOCAL MITIGATION PLANNING .....** 5-1

LOCAL FUNDING AND TECHNICAL ASSISTANCE .....	5-1
Description of State Process to Support Development of Local Plans.....	5-1
Description of Funding and Technical Assistance, Last Three Years .....	5-1

LOCAL PLAN INTEGRATION .....	5-3
Description of Process and Timeframe to Review Local Plans .....	5-3
Description of Process and Timeframe to Coordinate and Link Local Plans To the State Mitigation Plan .....	5-3

PRIORITIZING LOCAL ASSISTANCE .....	5-3
Description of Criteria for Prioritizing Jurisdictions that would Receive Planning and Project Grants .....	5-3
Consideration of Cost Benefit Analysis .....	5-4
Consideration of Communities with Highest Risk.....	5-4
Consideration of Communities with Repetitive Loss Properties.....	5-4
Consideration of Communities with Most Intense Development Pressure.....	5-4

Hazard Mitigation Administrative plan.....	5-5
I Introduction.....	5-5
A. Purpose.....	5-5
B. Authorities and References.....	5-5
C. Definitions .....	5-5
II Responsibilities .....	5-6
A. State Government.....	5-6
B. Local Government.....	5-7
III Funding .....	5-7
IV Eligibility Requirements .....	5-7
A. Eligible Grant Applicants Are: .....	5-7
B. Eligible Grant Applicants Must: .....	5-7
V Applicant Notification.....	5-8
A. Public Assistance Briefings.....	5-8
B. Notice to Potential Applicants .....	5-8
C. Special Briefings .....	5-8
VI Project Identification .....	5-9

A. Dissemination .....	5-9
B. Public Damage Assessment Teams .....	5-9
C. Public Assistance Briefings.....	5-9
D. List of Projects .....	5-9
VII Application Procedures .....	5-9
A. Submission of Applications to the State.....	5-9
B. Review, Ranking and Selection of Projects .....	5-10
C. Notification of Applicants .....	5-11
D. Submission of Selected Projects to FEMA .....	5-11
VIII Project Management .....	5-11
A. Administration .....	5-11
B. Financial Administration.....	5-13
C. Appeals.....	5-14
D. Cost Overruns.....	5-14
E. Project Closeout.....	5-15
IX Plan Review .....	5-15
Appendix A HMPG Application Procedures .....	5-15
Appendix B State Hazard Mitigation Team .....	5-16
Appendix C HMGP Environmental Considerations.....	5-16
<b>6. PLAN MAINTENANCE AND MONITORING.....</b>	<b>6-1</b>
PLAN MAINTENANCE PROCESS .....	6-1
Method and Schedule for Monitoring, Evaluating, Updating the Plan .....	6-1
Evaluation of whether Previous Plan’s Methods and Schedules Worked .....	6-1
MONITORING PROGRESS OF MITIGATION ACTIVITIES .....	6-2
How Mitigation Measures and Closeouts will be Monitored .....	6-2
System for Reviewing Progress on Achieving Goals .....	6-2
Modifications to Track Initiation, Status and Completion of Activities .....	6-2
System for Reviewing Progress on Implementing Activities, Projects .....	6-2
Implementation of Mitigation Actions from Previous Plan .....	6-3
Implementation Matrix .....	6-4
<b>APPENDIX – Summary of Meetings .....</b>	<b>A-1</b>
