Re: *Workers' Compensation Board v. Claimetrics*

Dear Superintendent Kofman:

Enclosed please find a copy of a Consent Decree between the Workers' Compensation Board and Claimetrics.

The Workers' Compensation Board has audited the records of Claimetrics and issued a Compliance Audit Report dated April 3, 2008 detailing its findings. The findings reflect that Claimetrics engaged in a pattern of questionable claims-handling techniques or repeated unreasonably contested claims.

I am, through this letter, certifying the findings to the Bureau of Insurance pursuant to 39-A M.R.S.A. §359(2).

Should you need additional information, please do not hesitate to contact my office.

Sincerely,

Paul R. Dionne  
Executive Director/Chair
