Virtual Public Hearing

June 16, 2022 at 9 a.m.

In accordance with federal requirements, the Maine Center for Disease Control and Prevention in the Maine Department of Health and Human Services, announces a Virtual Public Hearing on the use of Maine's share of this federal block grant. Block Grant activities are guided by Healthy People 2020/2030 health objectives and dedicated to protect and improve the health of all Maine people.

Current and planned future uses of PHHS BG funds include community-based disease prevention, epidemiological and informatics services, accreditation support, and sexual assault prevention.

Interested members of the public are invited to review and comment on proposed changes to the current workplan ending September 30, 2022 and proposed objectives and activities for the workplan for the period of October 1, 2022 – September 30, 2023. These proposals will be presented in a virtual hearing:
