Maine I-File Individual Income Tax Filing System Deactivated - Effective April 24, 2023

Effective April 24, 2023, Maine I-File has been deactivated. Individual income tax returns may continue to be filed electronically using Modernized e-File (MeF) through a participating tax preparer or the purchase of commercial software either over the counter or online. For more information on MeF for individuals, visit the IRS website at irs.gov/filing/e-file-options.

Taxpayers may also file 2022 Maine income tax returns on paper. Maine downloadable tax forms and instructions are available on the MRS website at www.maine.gov/revenue/tax-return-forms/individual-income-tax-2022. All downloadable forms posted on the MRS website are suitable for printing and filing with MRS.

The Maine Tax Portal is Here! Maine I-File, EZ-Pay, and MEETRS for Business Taxes Deactivated Soon

The Maine Tax Portal, Maine Revenue Services’ new online system, is now open for you and many of your business clients to file, pay, and manage state taxes. The Maine Tax Portal is replacing I-File, EZ-Pay, and MEETRS for certain business taxes, which **will be deactivated on May 31, 2023**. After May 31, the Maine Tax Portal will be the only way to electronically file Maine business taxes online.

It is imperative that you and your eligible clients go to revenue.maine.gov, create a username, and begin using the Maine Tax Portal to file, manage and pay your Maine business taxes. A list of the business taxes and programs that are eligible for use on the Maine Tax Portal are listed at maine.gov/revenue/portal.
