

State of Maine
Dog Licensing Database:
Certified Animal Control Officers

Why do we need a statewide database?

§3925 Dog Licensing Database.database shall track all dog licensing throughout the state and allow municipalities and animal control officers to reunite lost dogs with owners and track dogs that have been determined by a court of competent jurisdiction to be dangerous dogs and nuisance dogs....

Since October:

100,000+ Maine dogs licensed by 1200+ users

What info is in the database?

All dogs: Name, breed, age, size, color, rabies vaccination information, bite history, license number
Some dogs: identifiable markings, rabies tag numbers, vet contact info, microchip numbers

All owners: Name, address, phone number
Some owners: email addresses, alternate contact numbers

Where do I start when I find a dog?

Personal ID tag with phone number still the fastest way to contact owner!

If no personal tag, a 2025 license tag will allow owner lookup in the database.

Enter license number. Most licenses are entered with a year prefix, but your search will find all that have that tag number.

Once entered, you will find a list of licenses that have that number affiliated with them, in the license tab.

Note you will have to add this tab during your initial set up.

Clicking on the owner's name will bring up the owner information.

Clicking the street address will give you maps, allowing for directions.

The screenshot displays the Google Maps interface for the address 290 Western Ave, Augusta, ME 04330. The browser's address bar shows the URL: `google.com/maps/place/290+Western+Ave,+Augusta,+ME+04330/@44.3158305,-69.8088851,17z/data=!3m1!4b1!4m5!3m4!1s0x4cb203ff7e9d690f:0x5ffb443f4acea45c!8m2!3d44.3...`. The browser's tab bar includes several open tabs such as "Maine Animal Welfa...", "My Account", "Title 7, \$3909: Enfor...", "Office 365 Resource...", "Trakstar Hire", "Organization Memb...", "Workers Comp forms", and "New Tab".

The map interface features a search bar at the top left containing "290 Western Ave". Below the search bar is a street view image of the location. A panel on the left side of the map lists several actions: "Directions", "Save", "Nearby", "Send to phone", and "Share". Below these actions, there are five location-related options: "290 Western Ave, Augusta, ME 04330", "Confirm or fix this location (The location shown is not precise)", "Suggest an edit on 290 Western Ave", "Add a missing place", and "Add your business".

The map itself shows a street grid with a red pin marking the location of 290 Western Ave. Various points of interest are visible, including "Augusta First Church", "Restaurants", "Hotels", "Things to do", "Transit", "Parking", "Pharmacies", and "ATMs". Specific businesses like "Senator Inn & Spa" (4.0 stars, 1143 reviews, 3-star hotel) and "KeyBank" are also labeled. The map includes street names such as "Ward St", "Macomber Ave", "Tibbets St", "Pleasant Wood Dr", "Meadow Rd", "Fuller Rd", "Crossing Way", and "Senator Way".

If you want a document with all the Person's information you can click on the printer icon for a Person View Report.

Microchip Lookup:

You can search for a Microchip in the search bar. This can find Maine animals with microchips that are registered, even if not licensed. If the microchip has ever been registered with 24Pet, the information is findable. You will have to notify the owner through the system if they are not licensed in Maine.

[Report Animal Found](#) [Close](#)

I only have a phone in the field; can I access it on my phone?

Google “Petpoint Login” and you will find the login page.

How do I get set up to use this?

- Certified ACOs: make sure your certification is up to date.

- Agreement from each town you serve

- Towns must be using the system

- Have Clerk's office set up your person profile in the system

- Once those steps are complete, email animal.welfare@maine.gov for user set up

How will I learn all of this?

There will be step-by-step user guides on the ACO Resources page of the AWP Website
Reach out for help Connor.Egan@maine.gov

The screenshot shows the left-hand navigation menu of the Animal Welfare website. The menu items are: Division of Animal and Plant Health, Animal Health, Animal Welfare, About Us, Animal Control Officers, ACO Resources (highlighted), Animal Shelters, Animal Welfare Advisory Council, Applications & Forms, Dog Licensing, and Municipality Resources. The main content area is titled 'Animal Welfare' and 'Animal Control Officer Resources'. Under 'On this page:', there are links for Training, Requirements, Certification, Continuing Education Training, Manuals & Guides, Forms, and Dog Tags Assigned to Towns. A blue sign-up box for 'Get ACO Official Notifications & Training Updates' is also visible, with a text input field and a 'Go' button.

The screenshot shows the 'Database User Training' and 'Help Resources' sections of the website. The 'Database User Training' section includes a 'Training Videos' list with links to various webinars and presentations. The 'Help Resources' section includes a list of links to FAQs, a PetPoint Request form, and a Microchip Cheat Sheet. The 'How to...' section includes links to various forms and licenses.
